DEMOCRACY IS NOT A SPECTATOR SPORT, YOU ARE A PARTICIPANT!

Standing on the sidelines is not an option!

Your local community needs you in the game, not in the stands!

Listen to what your neighbors want to change!

Find out who makes the decisions and how!

Write emails and requests to your municipality/city!

Speak up, write, comment, reach out to the media!

Take part, sign, protest, propose solutions!

AND WHAT ARE YOU DOING FOR DEMOCRACY?

*Democracy does not exist
only on paper.*

*It is built through the active
participation of all of us.*

When you stay silent, others decide!

**When you participate, you shape your
future and the future of all of us!**
